Tognana, dove l'Arte è di casa

Tognana, where Art is at Home

L'ARTE È DI CASA

Nel 1775 a Casier, in provincia di Treviso, la famiglia Tognana affianca alla produzione dei laterizi quella delle ceramiche.

La vicinanza di un punto di riferimento culturale come Venezia, contribuisce in modo decisivo allo sviluppo di un marchio che pone sempre in primo piano design ed estetica.

Ancora oggi Tognana può vantare le proprie origini di laboratorio artistico, trasmettendo passione ed emozione all'interno di una realtà industriale.

KNOW HOW ITALIANO

I prodotti Tognana rappresentano un nuovo modo di cucinare, che strizza l'occhio al mondo gourmet, mettendo sempre in primo piano il design, la funzionalità e la qualità dei materiali. In ogni *mise en place* Tognana i singoli elementi aggiungono tocchi di colore e creatività, per uno stile unico e irrinunciabile.

Le tendenze contemporanee, unite all'elevato know how, si declinano in proposte sempre attuali e riconoscibili.

ART IS AT HOME

In 1775 in Casier, in the province of Treviso, the Tognana family joined the production of bricks and ceramics.

The proximity of a cultural reference point such as Venice, contributes decisively to the development of a brand that always puts design and aesthetics in the foreground.

Even today, Tognana can boast its origins as an artistic laboratory, transmitting passion and emotion within an industrial reality.

ITALIAN KNOW-HOW

Tognana products represent a new way of cooking, which winks at the gourmet world, always putting the design, functionality and quality of materials in the foreground. In each Tognana *mise en place* all the elements add touches of colour and creativity, for a unique and indispensable style.

Contemporary trends, combined with a high level of know-how, are reflected in proposals that are always current and recognizable.
